AMERICAN NANO SOCIETY

March 25, 2012

Certificate of Membership

This document officially certifies that **Rostislav Lapshin** is a Full Member of the American Nano Society with Membership# **114562**. According to the Society Bylaws, full membership is not open to everyone, and will be only granted after a strict selection process based on scientific or administrative contributions to nanotechnology. Detailed information about mandatory criteria for this class of membership can be found on the official website of the Society.

This document has been issued upon the request of the member. The status of membership can be checked online in the member's profile at <http://members.nanosociety.us/lapshin>.

Yours Sincerely,

Ali Eftekhari

Ali Eftekhari
President

ANS is the world's largest
nanotechnology community
with active members from
over 102 countries
